### Chapter 260.

An act to amend an act entitled "an act for supplying the City of Bangor with water," approved February twenty-two, eighteen hundred sventy-five.

*Be it enacted by the Senate and House of Representatives in Legislature assembled, as follows :*

SECT. 1. Section one, of chapter one hundred and sixty-eight of the private and special laws of eighteen hundred and seventy-five, is hereby amended by striking out in the sixth and seventh lines thereof, the words "for the extinguishment of fires, domestic uses and creating steam;" and inserting in the place thereof the words 'for all municipal and domestic uses,' so that said section, as amended, shall read as follows :

Sec. 1 of ch. 168, special laws of 1875, amended.

'SECT. 1. The city of Bangor is hereby authorized to take, hold, and convey into, about and through the city of Bangor, from any point in Penobscot river that may be deemed expedient, between the foot of Treat's falls, in Bangor, and the head of McMahan's falls, in Veazie, water sufficient for the use of said city and the inhabitants thereof, for all municipal and domestic uses; and may flow, take and hold, by purchase or otherwise, any lands or real estate for laying and maintaining aqueducts or pipes for conducting, discharging, disposing of and distributing water, and for constructing and maintaining reservoirs, dams and such other works as may be deemed necessary or proper for raising, forcing, retaining, distributing, discharging or disposing

Bangor authorized to supply city with water.

Purpose of.

May take and hold real estate for laying aqueducts and pipes and maintaining dams, reservoirs, &c.

**CHAP. 260.** of said water, and for the erection of any works for said purposes, and for sinking wells or making excavations for the filtration of water.'

**Sec. 2, amended.** **SECT. 2.** Section two of said chapter is hereby amended, by striking out in the second, fifth and seventh lines thereof, the word "said," and inserting in the places thereof the word 'any ;' and by inserting in the fourth line thereof after the word "and" the following words, 'take by gift or,' and by adding to said section the following words: 'said city shall construct and maintain from time to time, in such dam, such suitable locks or sluice for the passage of boats, rafts, logs and other lumber, as the public necessity may require,' so that said section as amended, shall read as follows :

**May erect a dam across river.**

**May take any franchise by gift or purchase.**

**Aqueducts and pipes.**

**Fountains and hydrants.**

**Distribution of water.**

**Water rents.**

**May conduct aqueducts, &c., across public ways.**

'**SECT. 2.** Said city may erect and forever maintain, at any point, a dam across said river, for the retention of water for said specified purposes, not exceeding twelve feet in height above mean high tide; and take by gift or purchase, any franchises or the right to operate under any franchises required for said purposes, or may purchase and forever maintain any dam erected or to be erected across said river at any point, for the retention of said water, or may purchase the privilege and right forever to draw and take from said river, at any point, a sufficient quantity of water for all said purposes, and sufficient water power to pump and raise, force and distribute the same to any required places in said city; may make, build, lay down and maintain aqueducts and pipes, from said river, at said point, to, into, through and about said city, and secure and maintain the same by any works suitable therefor; may make and establish such public fountains and hydrants in such places as may from time to time be deemed proper, and prescribe the purposes for which the same may be used, and may change or discontinue the same; may distribute water throughout the city, and for this purpose may lay down pipes to any house or building in said city, the owner or owners thereof having notice and not objecting thereto; may regulate the use of said water within said city, and establish, receive and collect the prices or rents to be paid therefor; and the said city may, for the purpose aforesaid, carry and conduct and maintain any aqueducts, pipes or other works by them to be made, laid down or conducted, over, under, through or across any water-course or river, street, bridge, railroad, highway or other way, in such manner as not to obstruct the travel or free use thereof; may enter upon and dig up any such road, street or way, for the purpose of laying down pipes beneath the surface thereof, and for maintaining and repairing the same, and, in general, may do any other acts and things necessary or convenient and proper for

carrying out the purposes of this act. Said city shall construct and maintain, from time to time, in such dam, such suitable locks or sluice for the passage of boats, rafts, logs and other lumber, as the public necessity may require.'

SECT. 3. Section three of said chapter is hereby amended by inserting in the third line thereof, after the word "water," the following words 'or of power,' and in the fourth line thereof, after the word "surplus," the following words, 'water or,' so that said section as amended shall read as follows :

Sec. 3, amended.

'SECT. 3. If said city shall elect to erect or purchase a dam as aforesaid, for said purposes, and there shall be a surplus of water or of power, after supplying at present all of said purposes, said city may sell or lease any surplus water or power created by said dam.'

City may sell or lease surplus power created by dam.

SECT. 4. Section four of said chapter is hereby amended by inserting in the seventh line thereof, after the word "therefor," the following words, 'said city or,' so that said section as amended shall read as follows :

Sec. 4, amended.

'SECT. 4. Said city shall be liable to pay all damages that shall be sustained by any persons or corporations in their property, by the taking of any land or by flowage, or excavating through any land for the purpose of laying down pipes, building dams or constructing reservoirs, or making excavations. And if any person or corporation sustaining damage as aforesaid, and said city, shall not mutually agree upon the sum to be paid therefor, said city, or such person or corporation, may cause said damages to be ascertained and determined in the same manner and under the same conditions, restrictions and limitations as are by law prescribed in the case of damage by the laying out of highways.'

Damages.

—In case of disagreement, how determined.

SECT. 5. Section five of said chapter is hereby amended by striking out all of said section after the figure "five," and inserting in place thereof the following words, so that said section as amended shall read as follows :

Sec. 5, amended.

'SECT. 5. The rights, powers and authorities given to the city of Bangor by this act shall be exercised by the said city, subject to the restrictions, duties and liabilities herein contained, in such manner and by such commissioners, officers, agents and servants, chosen at such times, and for such terms of office, as the city council shall from time to time ordain, appoint and direct. *Provided however,* that until the first day of January, eighteen hundred and seventy-seven, there shall be three commissioners, called a water board, whose compensation shall be fixed from time to time by the city council, and George Stetson, William T. Pearson and Luther H. Eaton, all of said Bangor, shall constitute said board from the acceptance of this act, unless sooner removed,
