### AN ACT RELATIVE TO TROY WATER WORKS.

*Be it enacted by the Senate and House of Representatives in General Court convened:*

**418:1 Troy Water Works.** Amend section 4 of chapter 269 of the Laws of 1915 by striking out said section and inserting in place thereof the following: Sect. 4. For the more convenient management of said water-works, the said town may place the construction, management, control and direction of said water-works in a board of water commissioners, to consist of three citizens of the town, said commissioners to be vested with such powers and duties relating to the construction, control and management of the same as may from time to time be prescribed by said town. The term of office of each member shall be for three years and until his successor is elected and qualified. The commissioner elected at the March meeting 1957 shall hold office for a term of three years and the two commissioners in office as of March 1957 shall hold office for a term of two and one years respectively. At each annual meeting beginning in March, 1958, one commissioner shall be elected. The compensation of said commissioners shall be fixed by majority vote of said board but shall be approved by the selectmen.

**418:2 Compensation.** Such part of section 5 of chapter 269 of the Laws of 1915 as refers to the compensation of the commissioners of the Troy water-works as is inconsistent with the provisions of section 4, as hereinbefore amended, is hereby repealed to the extent of such inconsistency.
