**HAMPTON'S VEGETABLE TINCTURE!**  
—THE GREAT DISCOVERY OF THE AGE—READ!—READ!—READ!—The world never before saw such a mass of home testimony given to any other medicine.

PORTSMOUTH, Va., August 18, 1851.

Mr. J. E. BOUSH—Dear Sir: While I am in general opposed to Patent Medicines, candor compels me to state that I have great confidence in the virtues of Hampton's Vegetable Tincture. For several months past I have used it in my family, and in dyspepsia, loss of appetite, dizziness, and general debility, with entire success.—So far as my experience extends, therefore, I take pleasure in recommending it to the afflicted as a safe and efficient remedy. I am, respectfully, yours,

VERNON ESKRIDGE, Chaplain U. S. Navy.

Cure of the eminent and venerable Doctor Dunan's Son. BALTIMORE, Feb. 9, 1852.

Messrs. Mortimer & Mowbray—Gentlemen:—

It is with real pleasure that I am able to attest to the general healing and curative powers of Dr. Hampton's Vegetable Tincture. Some time during last November I was taken with a very bad and serious cough. I was advised to take Cod Liver Oil, and did so, but getting no better, I was induced to try your Tincture. I got one bottle, and before I had used it all my cough had left me. Permit me also to state that for the last fifteen years I have suffered very much from Acute Rheumatism and Vertigo, confining me at times to my bed. I am fully convinced that I owe my present good health to the use of the Tincture, and a kind Providence.

You are, my friends, at liberty to use this as you may think proper, and believe me

Yours, very respectfully, G. DUNAN.

N. B.—I can be seen at any time at the Mayor's Office. G. D.

HAMPTON'S TINCTURE is the great purifier of the blood—will cure Scrofula, Rheumatism, Colds, Cough, Liver Complaint, Diseases of the Throat and Breast, &c.—a certain relief in all nervous complaints.
