

The petition of the Inhabitants of the town of Louisa in the
County of Botetourt, to the Honorable the General Assembly of Virgi-
-ia humbly represent - That your petitioners labour under
great inconveniences, and are subject to great danger of dis-
truction of their property by fire for the want of water in the
town aforesaid, and that those inconveniences may be removed
at a moderate expence by conveying water in pipes from a
Spring adjacent to said town, whereby the comforts of its
Inhabitants will be increased and the danger from fire in
some measure removed. your petitioners therefore humbly
pray that your Honorable body will pass a Law establishing
a Water Company in s^t town for the purpose aforesaid
under such regulations, as your honorable body may
Judge Just and reasonable - and your petitioners as in
duty bound will ever pray &c
