To the Legislature of Virginia.

The petition of the undersigned, citizens of Charlestown, in the County of Jefferson, humbly represents, that in the year 1865 an act passed, appointing nine Commissioners, with authority to raise by Lottery the sum of Eight Thousand Dollars, for the purpose of introducing water into said Town, by pipe or otherwise, which law was never carried into effect by said Commissioners from some cause not at this time understood, — since which, George North, Ferdinando Fairfax, Alexander Saunders, Thomas Flagg, Joseph W. Davis and George Tate, six of said Commissioners — have died. — Your petitioners humbly pray, that your honorable body will pass a law, authorizing — said vacancy to be filled with six other commissioners, and extending the privilege of raising, in the same manner, and for the same purpose, the sum of twelve Thousand Dollars, in lieu of Eight Thousand. And your petitioners, as in duty bound will ever pray, &c.
